

WE HAVE A DIFFERENT VIEW OF CAPTURING MEMORIES

Thank you for your interest in hiring a boat from City Cruises Poole.

Here you will find information about City Cruises Poole, our boats and our services, along with a booking form.

Our aim is to meet your requirements as best as we can to ensure that your event is a success. We are also very happy to discuss all aspects of organisation with you at all stages to ensure that this is the case.

We can tailor you a bespoke package or you can enjoy a private cruise for your corporate event, party or function. We are very open in discussing your individual requirements.

If you have not hired a boat from us before, we strongly recommend that you arrange to view our boats to ensure that you select the right vessel for the event, before completing the order form.

Professional catering can be provided by our catering partners or we can accommodate your own catering arrangements for a modest service charge. Full bar facilities are also available. All of our catering partners have been carefully selected and meet the high standard of service expected by ourselves.

We can provide a DJ with your choice of music or you can have a live band providing music and dancing to your themed event.

If you have any further questions or concerns, please feel free to contact us at any time.

We look forward to hearing from you and being of service to you.

Reviews

Don't just take our word for it! Here's what our customers have to say:

Well organised and everyone felt safe, the staff were really approachable and easy to build a rapport with which is important when it's a relaxed social event!

– Siemens PLC

It met all the requirements that I was looking for.

– Anonymous - Feefo

Great singer and staff were excellent. Thoroughly enjoyed the whole experience.

– Paul C

Service, friendliness of staff and safety is always top-class.

– Jurassic Coast Trust

The background staff were excellent and the organisation went without a hitch. On the night the fish and chip supper was as good as they come with alternatives for those not wanting fish. The boat fitted our needs perfectly with plenty of inside and outside space to cater for the needs of all ages.

– Pete J

Would recommend City Cruises, great experience!

CONDITIONS OF CARRIAGE

1. APPLICATION

These conditions apply whether a contract has been made verbally or in writing.

2. QUOTATIONS

All quotations are made subject to a vessel suitable for the Hirer's requirements still being available at the time of acceptance. Quotations are valid for 28 days from issue or for any period specified.

3. ROUTE VARIATION

Whilst every endeavour will be made to ensure that vessels run to the scheduled timetable, circumstances may prevail which prevent punctuality and, at all times the vessel will remain under complete control of the Master; the trip being varied if in his sole discretion this should be desirable for weather or any other cause beyond our control, the customer having no claim against City Cruises Plc in the event of such deviation or variation.

4. PAYMENT

A 50% deposit is required at time of booking unless an alternate agreement has been made in writing beforehand. The balance will become due 14 days prior to sailing and must be paid on time or the cruise may be cancelled. Deposits are non-returnable in the event of cancellation by the customer. Where Catering and other services are required, 50% payment of these are due prior the cruise, and the whole amounts due may be payable if the trip is cancelled by the client for any cause.

5. CANCELLATION

Bookings are accepted on the understanding that payment is guaranteed for the numbers booked or the agreed rate for the hire of the vessel. No allowance can be considered unless advice is given early enough to allow City Cruises Plc time to try and dispose of such bookings to an alternative customer and every effort will be made so to do. Nonetheless in the event that the booking is not re-sold the customer shall remain liable for the outstanding amount in full. In the event of failure by outside contractors, i.e. Disco, Caterers etc., that are arranged on the Hirer's behalf, the cruise charges which are separate will still be payable in full. Likewise, in the event of a cancellation of cruise due to any circumstances beyond our control (bad weather, mechanical failure etc.) we shall only be liable to refund cruise charges paid by the customer after deducting any expenses incurred on the Hirers behalf, and we will not be liable for any other expenses incurred by the Hirer.

6. CONDUCT / DRESS

The Master is responsible for the safety of the vessel, and for comfort of the passengers. Therefore a reasonable standard of dress is requested and it is desirable that particularly on evening functions this is adhered to. Ladies should be aware of the possibility of tripping on the landing stage, and wear suitable flat shoes. Passengers must conduct themselves in a safe manner; the cruise may be cancelled at the Masters discretion if this is not the case passengers must not climb onto the ships roof or onto the bow railings. Passengers must use the gangway to board the ship and any passenger not doing so will be refused passage. The Hirer is responsible for any damage caused by his party, and for advising his group of the conditions required, and that unless he has made prior arrangement, no drinks are to be brought aboard by them.

7. FOOD & DRINK Under normal circumstances the company will allow on board no food or drink without written permission. Where permission is given it will be accepted that in most circumstances a corkage or service charge may be made. In the event of guests arriving with their own food or drink without such permission the company reserve the right to either retain such goods in safe custody until the end of the cruise or at the masters sole discretion to refuse boarding to such persons.

8. COMPLAINTS Any complaints in respect of the services supplied must be registered during or before the end of the cruise to the Master, and in writing within 7 days.

9. CRUISE Bookings are for the time specified on the Booking Form, although boarding can commence 15 minutes before sailing. Should the Hirer require time for setting up displays etc., then prior arrangements must be made with City Cruises Plc and a charge may be made. In the case of party bookings for persons under 21 year olds a breakage bond will be required and the company shall stipulate the number of adults over 25 required to supervise the party. **We don't allow ticketed events on any of our vessels unless an alternate agreement has been made in writing beforehand.**

10. TELEPHONE Bookings can only accepted on receipt of the completed booking form and requested deposit. We are unable to accept bookings verbally by telephone, although we are able to indicate whether a date is available bookings are taken on the basis of the first booking form received.

11. PUBLICITY

Banners, Posters, and decoration of any kind can only be displayed by prior arrangement in writing. Depending upon the event, a charge may be made.
