## Why use City Cruises York Bespoke?

City Cruises York carry thousands of private charter customers on board our vessels every year. We have an exemplary safety record and our team have operated on the River Ouse for over 30 years. All of our crew and captains undertake regular and focused training programs that result in a high quality level of service throughout the products and packages that we offer.

All of our fleet is unified in livery with six boats to choose from, with a wide range of prices, shapes and sizes for all your event requirements. Our boats are well maintained and have large windows for viewing, with the majority having a modern interior and open area on the upper deck.

Our experienced and knowledgeable sales team are ready to help you arrange your bespoke event from start to finish. Once we have received an initial brief of your event requirements (advising what your event is for, what is essential, type of food, entertainment, bar etc.), the team will offer helpful tips and ideas to ensure that your event runs perfectly.

## Which boat should I choose?

We would highly recommend that, whilst you consider the boats that are on offer, you allow our experienced team to match your requirements, and the number of guests, to the ideal boat for your event.

## Why we are different?

All of the staff assigned to your event will be in full uniform.

Your guests will be welcomed by the Captain at your chosen departure point of either King's Staith or Lendal Bridge and ensure that they are directed to the correct boat with a welcoming smile.

Our experienced external suppliers will ensure that all your catering, entertainment and decoration needs are delivered to the highest standard.
