FOOD & DRINKS

We have a different view of a Bespoke Menu

A selection of menus have been developed by our head of food beverages, Henry Brereton. Henry has worked with City Cruises for over 11 years. Whilst City Cruises is known for its formal dining menus this literally is the tip of the iceberg on what we can offer.

3 and 4 course dining menus, Hot and Cold fork buffets, our ever popular summer BBQ's and nibbles!

We work with an authentic Indian Food specialist to offer a typical Indian banquet and of course Henry is always happy to plan something to suit your own event. We can send over some sample menus for you to peruse.

That's not all. We have a new and enhanced wine selection, some great drinks packages and of course a good selection of beers and gins! Our team can advise you of the best package to suit your budget and needs.

ON-BOARD ENTERTAINMENT

Unbeatable views, live entertainment, great food and much more: these are keynotes of our dining cruises on the River Thames.

We have a catalogue of live singers who will perform popular and classic songs.

We also have some terrific tribute artists.

Whether your choice is popular or classic, traditional or musicals, we will have something for you to enjoy.

We have a full entertainment brochure enabling you to pick and mix for your perfect event. Check it out on our website or ask our team for more details.

Don't forget the decorations we work with florists, event planners to ensure the boat is dressed to your event needs.
