WAKES AND MEMORIALS

Celebrate your loved ones on the River Ouse.
citycruises.com/York

Wakes

City Cruises York have a unique and versatile space to gather your friends and loved ones, to pay your respects to those who have passed.

With options for 2-to-3.5-hour hires on an evening, in addition to daytime offerings, we can tailor your wake to your needs. Buffets, background music and live musician recommendations are optional and available.

There are 5 different vessels available to hire and all include bar facilities with a comfortable family and pet friendly space. Raise a glass to your loved ones in the lovely peaceful York riverside. Please do get in contact with the private hire team, so we can guide you through your options.

Ashes Scattering and Memorials in York

City Cruises would like to offer you a private and calm space, to scatter your loved one's ashes or gather for a memorial on the River Ouse in York. Many individuals have an affiliation and special memories of the River Ouse, be it fishing on the banks, walking a beloved pet, growing up in the city or summer walks around the riverbanks.

Holding your remembrance on the River Ouse is a special experience. We will take your lead and create a memorable and sensitive charter. Guests are welcome to bring religious officials or celebrants aboard. We offer the facility to play background music, hymns, poems, or meaningful songs through our sound system and provide space for acoustic musicians.

For a lasting tribute, register your ashes scattering online and make a virtual dedication to your loved one. You can mark the location, add tributes, photos, and special notes. Information will be provided on booking.
